Strategic Goals

- Increase academic achievement by 5 percentage points focusing on vocabulary, writing and collaboration.
- Decrease loss of instructional time due to suspension by 15%
- Promote shared responsibility for student success by increasing communication between home, school and community
- Teachers will be provided at least 3 differentiated professional development opportunities.

Pledge to Success

STUDENTS

- Attend school daily, cooperate with teachers and follow the Cardinal Rules
- Commit to completing tasks and participating actively in the classroom community
- Always treat others the way you want to be treated

OUR SCHOOL

- Teach NC Standard Course of Study and Essential Skills using diverse teaching methods to meet student needs
- Regularly communicate with parents

PARENTS

- Ensure that your child arrives on time to school every day
- Ensure that your child follows all school rules and procedures
- Partner with school staff by regularly communicating to monitor student progress

Title I Information

Creekside is a Title I school. Title I provides federal funding for schools who are behind academically or at risk of falling behind. Funding is based on the number of low-income children in a school, generally those eligible for the free lunch program. About half of the public schools in the state receive Title I funding.

This funding is used to supplement resources, provide remediation teachers and other support staff. Remediation teachers help provide small group instruction for specific skill building in math and reading. This small group instruction is offered at various times in the school day to suit the students class schedule.

Title I hosts parent information sessions to share effective strategies families can use at home to help students learn.

Our teachers meet weekly to plan relevant and rigorous lesson plans; promoting student learning and higher order thinking.
