Your involvement in the PTSO can make a significant difference in our school community.

## WHAT WE DO

The PTSO engages in a variety of activities and programs designed to support our school and local community.

Events and activities to raise funds for IECHS programs, classrooms, clubs, special projects, and more.

Volunteer Coordination: Recruiting and managing volunteers for school events, classroom help, and community outreach.

Educational and social events that bring together students, parents, and teachers, such as family nights, and cultural events.

Providing updates and information to parents and teachers through newsletters, social media, and meetings to keep everyone informed and engaged.

Appreciation events, and resources to support our dedicated teachers and staff.
