

Together, we can make a difference.
Let's unleash the power of community
and ensure a fantastic year for all at
IECHS.

IECHS PT'SO

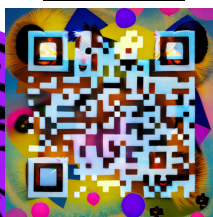

Help us create opportunities with a PT'SO membership. This year, our theme draws inspiration from our powerful mascot, the Kraken, representing strength, unity, and bringing titan sized support for IECHS. Your membership contributes directly to initiatives, materials, and activities that help improve the educational journey and experience of our students, and staff. We understand that life doesn't always mix with added meetings, volunteering, and fundraising. We would still love to have you! Whatever level you choose to be involved please know, we welcome. We can keep you informed and involved on your terms and schedule.

If you have any questions or concerns, please don't hesitate to reach out to us at INNOVATIONPT'SO@gmail.com.

SPIRIT WEAR

OPEN PT'SO POSITIONS

Welcome to the 2024-2025 school year at Innovation Early College High School from the PTSO. We are thrilled to have you with us. Let us introduce you to what we do at IECHS. Our focus is on creating a positive and collaborative environment where teamwork is key, and all participation is voluntary. We understand that volunteering can be challenging, and we acknowledge other commitments in life. Rest assured, we appreciate and respect any level of involvement. Our goal is to empower students, support their educational journey, and strengthen our community. We are dedicated to serving our families, students, teachers, and IECHS without seeking recognition as our motivation. The rewards lie in fulfilling civic duties as humans and witnessing the impact of your contribution.

Things we accomplished last year-

- Hosted a parent Q&A night bringing in a Parents For Public Schools of Pitt County speaker, provided dinner, and 10 awesome door prizes
- Photo sessions for students at 35.00 dollars - not for profit but to ensure seniors and families could have an affordable professional session and have rights to the photos
- Spirit nights; Panera Bread totaling -24.25 Chipotle- 0.00
- Provided and served lunch at the RMDH with students
- Door prizes for IECHS Title I family nights
- Students Against Hunger Food Drive for Eastern Carolina Food Bank
- Holiday treats for staff during Spirit Week
- Cookies and Coco Night with a cash prize raffle
- Carnation fundraiser- 277.12 raised
- International Day Celebration with IECHS Culture Club
- Teacher Treats throughout the year and staff birthday surprises
- Monthly Gift 10.00 cards for Legends of the Month Winners
- Teacher Appreciation taco bar- ALL MEMBERS HELPED :)
- Decorations for IECHS various months and themes
- Closet essentials maintained
- Senior Lunch at NASH
- Along with collecting donations for other efforts

Due to the fundraising difficulties, the PTSO board shouldered most of these expenses, which is why we started implementing membership dues. The PTSO has been fortunate to create relationships within our community that contributed to all these accomplishments as well. I have volunteered at several food pantry distributions, shelters, and animal services in Pitt County under PTSO and it is with this service I hope to maintain these relationships. Creating opportunities for our students and families to give back is a huge essential piece of what makes this organization operate. We have several new opportunities this upcoming year but if you have any suggestions or ideas on where we can help, we would love to know! IECHS PTSO officially became a 501 (c) (3) this year! This was a goal set at the beginning of my term and I am proud we were able to establish this. We also were awarded several grants for this school year. More to plan, but in the best way possible.

Ways to Offer Support:

- **The simplest way to assist is by linking your store reward cards to IECHS. Make every shopping trip count, regardless of where you shop, through QR links.**
- **Consider becoming a member. Membership fees contribute to our success without relying on spirit nights or fundraisers. Even if you aren't interested in further participation, your support makes a difference!**
- **Volunteer and stay involved. Ensuring all students feel supported is our goal, and staying engaged is key to achieving this. We have open positions and would be thrilled to have you on board!**

Once again, welcome to the Innovation Early College High School 2024-25 school year. We look forward to meeting with each of you and are excited to see what we can accomplish together.

Sincerely,

Jamie Lynn Cash
