

FED FOCUS

APRIL 28 - MAY 2, 2025

Be sure to work on your Title I Websites. We will begin checking the required information for February - April today.

Please make sure that any links in your Title I Website are set to "anyone with link can view" so we do not have to request access to view your artifact. This will help to speed up the process and keep us from flooding your email with requests. Thanks so much for your help with this!

Please remember that you should have something in EVERY folder! If something does not apply to your school, please upload a sheet of paper to indicate that it does not apply.

If you have running minutes, you will need to upload a copy in each folder. Here is the link for the [EOY Checklist](#) in case you need it.

The Fall Title I Contact Meeting will be held on September 4th from 12:30 - 3:30. The location will be sent out closer to the date. Please go ahead and mark this date on your calendars.
