

The Federal Buzz

December 8 - 12, 2025

- Please be sure that you have uploaded all artifacts for the MOY Title I Dashboard. Don't forget that if an item does not apply to you that you upload something indicating this information. If you have not had 2 Title I events, please upload something to indicate the date of the 2nd event.
- Please remember that all TSI-AT and CSI-AT schools are required to hold and document 2 monthly meetings in NCSTAR. One of them must be your SIT meeting. Even if everyone cannot attend, please ensure that you are holding a monthly SIT meeting!
- If your school had to reschedule a Title I Event due to weather, PLEASE be sure that you update the calendar with the correct information.
- Just as a reminder, the Spring District Title I Event is going to be held on March 31st from 5:30 - 7:30 at Eastern Elementary. Please ensure that you do not have any school events/activities scheduled for that night. (I do realize that for athletics that you cannot control when those are scheduled.)
- Bookkeepers are reminded to please use the correct checklist when submitting information. There is a checklist for parent reimbursements and a separate checklist for travel/PD reimbursements.
