

## About Our Title I School

Wintergreen Primary, home of the Eagles, houses our K-2 students, while Wintergreen Elementary, home of the Gators, serves our 3-5 students. Both WGP and WGI are nationally recognized as Blue Ribbon Lighthouse Schools of Excellence, believing in forming meaningful home/school relationships. As a team, we strive to meet every student's social, emotional, and academic needs.

As a Title I school, we receive federal funds to improve the academic achievement of all students. With this money, we hire additional staff to provide enrichment and mediation opportunities, purchase instructional materials and technology, and offer professional development for teachers

## Our Mission

Wintergreen schools is committed to developing lifelong learners and contributing members in a global society by forming meaningful relationships with students, staff, parents, and our community in order to promote academic/social growth and success.

Effective communication between home and school is essential. To stay informed with the latest news and updates, please provide our data managers with your current contact information. You can receive information through social media, our website, alerts and calls, emails, weekly folders, and Class Dojo.

## Wintergreen Schools

### Blue Ribbon Lighthouse School of Excellence

*Home of the Eagles and Gators*

### **Our Goals for Student Achievement**

---

Analyze standardized test scores, classroom assessments, and other relevant data to identify areas of strength and areas needing improvement

Focus on improving student outcomes in key areas such as literacy, numeracy, critical thinking, and problem-solving

Provide ongoing training and support for teachers to implement effective instructional strategies that align with the achievement goals.

Foster a positive school climate that promotes student well-being, motivation, and engagement.

### **Our Students Will . . .**

---

Set clear short-term and long term learning goals

Attend class regularly

Participate actively by answering questions and asking for help when needed

Form positive, meaningful relationships with peers and teachers

### **Our Teachers Will . . .**

---

Provide a classroom environment that is positive, welcoming, and conducive to learning

Regularly communicate with parents

Employ various teaching methods which work best for the student

Respect the cultural differences of our students

### **Parent Engagement Opportunities...**

---

- Curriculum Night
- Back-to-School Carnival
- Pizza Bingo
- Family Science Night
- EOG Game Night

### **Our Families Will . . .**

---

Engage in communication by staying abreast with their child's overall academic performance

Make attendance a priority for their child

Support literacy by creating a reading area, visiting local libraries, encouraging writing, and reading with your child

Support learning by assisting with homework, creating and implementing study habits, and practicing basic addition/subtraction and multiplication/division facts
